NOTES.

File No. 552-16

FILE HEADING.

Estimate for the construction of an Anna bhattram at Hassan.

From

The Deputy Comm^r, Hassan District.

No. A.J 137/S Dated 5.4.17. Received 7.4.17.

Diary No. 1669	Enclos. 1 este with report & two plans. Spare Copies.	Serial No. 1

BRIEF ABSTRACT OF LETTER.

Submits for sanction an estimate amounting to Rs. 6750/- for the construction of the above Anna bhattram and states that the cost of the work may be met from the accumulated funds of the institution

NOTES AND ORDERS.

The D. C's letter & the accompanying report deal exhaustively with the various particulars connected with the estimate. A sum of Rs. 688 has been confirmed as cash grant to the ~~temple~~ Chattram. The Deputy Comm^r states in his letter that the want of a bhattram is keenly felt at Hassan where there is no suitable accommodation for travellers and

and with a view to accumulate funds for the construction of a Chattram building it was directed in Govt order No. 1290-1d. 25. 8. 06 that the Zamindik allotment of the Chattram should be drawn and credited to the funds of the institution. It is reported by the D. C. that the amount thus saved comes up to Rs. 9692-13-10 up-to-date; but the Executive Engineer in his report on the estimate states that the sum at the disposal of the institution amounts to Rs. 7709/-. The new building for the Chattram is proposed to be raised on the site where an old Annachattram is said to have existed some years ago and is now no more. The main items in the estimate are (1) foundation & basement, (2) superstructure, (3) provision for Honne woodwork for the whole building, (4) Mangalore-tiled roof with teak-wood reepers. ~~A site plan~~ The estimate also provides for the repairs of an old drinking water well at a cost of Rs. 50. A site and a building plan are enclosed. The estimate has been countersigned by the D. C. & the Asst. & Executive Engineers.

Submitted with a draft covering the estimate.

MV.
22.5.17. May the file may be reserved for disposal after personal inspection by the Secy.?

Yes, I would discuss it Campbell

24/5/17
24/6/17

2. I inspected the Site and had also a consultation with some of the leading men and the local officers. My doubt has been about the expenses often incurred in the ill drained situation.

I also inspected the available Sites in company with Chairman and some of the municipal councillors. Some of the Sites are free from objection of both. Further I understand that a good municipal drain will be put up near the Railway station which removes one of the chief considerations for desiring a change of Site also for the Cantonment.

3. Draft. Sanctioning the estimate

24.6.17

164
17.7.

I should prefer 6 bucks in new Cantonment some new ones with 17-Then we go we may expect for travellers. This will do away with necessity of a municipal drain. Or this may also be used for the convenience of travellers but may remove the Cantonment. Then the Cantonment may be made as possible when we are a step by step we need for

24/6/17. In the light of the explanations given by the Sanitary Officer, I am satisfied that the proposal is made to remove the old well

Dated

Despatched } General Department
Received } 30th March 1917.

General No. R 7 137/S
No.

Enclosure No. one Estimate with carrying report and two plans.

Submitting for Sanction an estimate for Rs 6750 for the Construction of an Annachatra at Hassan.

Deputy Commissioner's Office
Hassan district.
Dated Hassan 30th March 1917.

From,

C. Venkata Rao Esquire, B.A.,
Offg. Deputy Commissioner
Hassan district.

To

D. M. Narasinga Rao Esquire,
B.A., B.L.,
Secretary to the Government of
H. H. The Maharaja of Mysore —
General department.

Sir,

Adverting to Government order no. 1290-1 dt 25-8-06 directing that the Jasdik allotment of the Hassan Anna-Chatram may be drawn as usual and credited to the funds of the institution so as to provide funds for the construction of a Chatram building and observing that the question of site for the building be deferred till sufficient funds accumulate, I have the honor to state that in pursuance of the above Government

Government order, necessary instruct-
-ions were issued to the Amildar, Hassan
Taluk, in the matter of crediting the
Tasdik amount to the funds of the
institution. He reports that the
instructions are being carried out
and an amount of Rs 9692 13-10.
has thereby been saved up-to-date.

2. As regards the site for Chatram
building, I beg to state that after the
receipt of the Government order under
reference, the then Muzrai Superin-
-tendent Mr. A. Subramanya Iyer, who
inspected the old Chatram Site in 1909,
suggested in his letter no. 926 dated
4.6.09 that the old site may be
used as a back yard and a private
house adjoining the same, which once
belonged to Mr. A.P. Narasimhaiya,

mght-

might be purchased and with some improvements used as the Annachatram.

3. Thereupon the Executive Engineer, Hassan division, was requested to apprise the private house and get an Estimate prepared for its improvements. He first observed that there were lanes and other dwelling houses close by and the locality itself was unfit for a public resorting place. But on being furnished with a copy of the Muzrai Superintendent's letter quoted above, he furnished an Estimate for Rs 7409/- for both the acquisition and repairs of the private house and stated that the house itself was an old one with mud walls cracked here and there and it was not worthwhile to lay out money on such

a

dilapidated building and suggested that a new building might be got up for the same cost on the old Chatram Site.-and the towns people were also not in favour of the removal of the Chatram from its original site, I agreed with the Executive Engineer in his views as above and requested him to get a plan and an Estimate for the same. The Executive Engineer has after repeated reminders forwarded them which are submitted herewith.

4. The plan shows that the building will stand on 66 x 66 with 11 rooms which will be fairly commodious. The Estimate provides also for the repairs of the drinking draw-water well now existing on the site. But it is a pity that a compound wall cannot be put up.

Th.

This will have to be done by acquiring some adjoining private lands, for which a separate communication will be made after making useful priliminary actions.

5. Want of a Chabaan is keenly felt in a place like Hassan, where there is no suitable accommodation for travelling public. I request therefore that the Estimate may be kindly sanctioned by Government at an early date.

I have the honor to be,
Sir,
Your most obedient Servant,

Asst. Deputy Commissioner
Hassan District
